They were met and interviewed by Poloff, ARSO, DHS/ICE and Embassy spouse interpreter at 1100. They were unaccompanied and spoke no English and no Thai. Embassy had no advance notice the two were coming.

¶3. (C) It was learned during the interview that the female is, in fact, a national of the People's Republic of China. The couple is not married but had been living together for the past 8 years in Jilin, China. The female accompanied the male on the journey from China in order to assist him in seeking asylum in the United States. In response to a question, the male stated that he approached the Embassy to seek resettlement in the United States. The female stated that she did not intend to request resettlement in the United States.

¶4. (C) Poloff explained USG policy towards North Korean refugees to the two individuals. Per reftel instructions, Poloff referred the male to UNHCR. Poloff contacted and told UNHCR about the cases. UNHCR agreed to interview the male on 20 June at 0930 Bangkok time. Embassy Thai staff will escort the him by taxi to UNHCR. As the North Korean male stated that he had no funds to pay for accommodations, Poloff contacted IOM to arrange temporary shelter for the male. The female PRC national departed the Embassy on her own accord.
